

CORAZON ACCREDITATION SERVICE LINE OF EXCELLENCE

Fast-track your Accreditation with this bundled approach to best-practice, high-quality cardiovascular services.

PACKAGED ACCREDITED SERVICES

Corazon's **Service Line of Excellence** is a prestigious honor given to cardiovascular programs that earn accreditation for their highest level of services offered, along with two other sub-specialty programs in one parallel track. Through Corazon's accreditation approach -- **E**valuate, **E**nhance, and **E**xcel -- your program performance will reach new heights of clinical, financial, and operational quality.

KEY COMPONENTS OF OUR ACCREDITATION APPROACH

Our Surveyors have extensive cardiac-focused clinical backgrounds and program development experience to provide unparalleled input to the accreditation process.

PROGRAMMATIC BENEFITS OF THIS APPROACH

- ➔ A focus on patient safety, clinical efficiency, and quality outcomes
- ➔ Bi-annual reports tracking progress and action plans
- ➔ Integration with strategic planning and growth initiatives
- ➔ Collaborative process involving physicians and care teams

Earning the **Corazon Service Line of Excellence** differentiates your program as a **top performer** with sustainable quality and outcomes, meeting the highest standards of care delivery for key cardiovascular program elements.

100%
OF CORAZON ACCREDITATION CLIENTS HAVE REPORTED COMPLETE SATISFACTION WITH THE ACCREDITATION PROCESS AND OUTCOME.
