

## Anthony Tortolani, MD

Medical Advisor  
Cardiac Surgery

### Career Summary

Dr. Anthony Tortolani has had a very impressive medical career in his specialty area of cardiothoracic surgery. Active in both the practice and educational realms of medicine, Dr. Tortolani has worked at nearly every major New York hospital throughout his career. He is currently a Professor of Clinical Cardiothoracic Surgery at Weill Medical College of Cornell University, a faculty post he's had since 1973. He serves as Vice Chairman of the Cornell Cardiothoracic Surgery Network and is the Attending Cardiothoracic Surgeon at New York Presbyterian Hospital. He has participated in multiple research studies, most notably with methods for improving recovery of heart function from open heart surgery. He is the author of over 70 academic and scientific papers, and belongs to multiple professional societies, including the American College of Chest Physicians, the American College of Surgeons, the Association for Surgical Education, the Société Internationale de Chirurgie, the Society of Critical Care Medicine, the Society of Thoracic Surgeons, and the American Board of Thoracic Surgery.

## Cardiovascular/Clinical Consulting

Corazon, Inc.

2006-Present

### Medical Advisor, Cardiac Surgery

Provides consultation to hospitals and health systems across the country for the implementation or development of cardiovascular and/or cardiothoracic surgery programs, and visits these programs to present to Boards, hospital leadership, and/or internal and external stakeholders on the clinical, operational, and financial aspects of advanced surgical care in CV services. Provides expertise and opinions on CV and CT procedures and commentary about current industry trends, medical advances, and new technology in his area of specialty.

## Academic Appointments

Professor Emeritus of Clinical Cardiothoracic Surgery

2016-Present

Weill Cornell Medicine, New York City, NY

## Education

Bachelor of Science Degree

Fordham University

New York, NY

Medical Degree

George Washington School of Medicine

Washington, D.C.

### *Post-Graduate Training*

Fellowship in Cardiothoracic Surgery

New York University Medical Center

New York, NY

Residency in Surgery

North Shore University Hospital

Manhasset, NY

Internship in Surgery

North Shore University Hospital

Manhasset, NY

## Licensure and Board Certification

1974 New York State Medical License

1975 American Board of Surgery

1979 American Board of Thoracic Surgery (renewed in 1988, 1999)

## Memberships

American Association for the Advancement of Science  
American College of Cardiology  
American College of Chest Physicians  
American College of Surgeons  
American Heart Association  
American Trauma Society  
Association for Academic Surgery  
Association of American Medical Colleges  
Association for Surgical Education  
International Society for Artificial Organs  
International Society for Heart Transplantation  
Long Island Heart Council  
Nassau Academy of Medicine  
Nassau County Medical Society  
Nassau Surgical Society  
New York Academy of Medicine  
New York-Cardiological Society  
New York Surgical Society
